DAY 1 ARRIVAL & CLINIC ASSESSMENT

7:00am – 2:00pm Arrival, check-in, programme orientation

Collect: alkaline water (2L/day), herbal capsules (3/day), coconut oil

2:00 – 3:30pm Clinic consultation (Dr. Pongsak / clinic specialist)

Review: skin concerns, medical history, target zones, contraindications

Pre-book ALL aesthetic procedures: DPL zones, Botox choice, Rejuran, Fillers, NEOBELLA

3:30pm Herbal solution — intestine cleansing

8:00pm Take 3 herbal capsules • Apply sunscreen SPF50+ from Day 1

Pre-booking ALL procedures on Day 1 is mandatory — clinic schedule fills quickly.

No sun exposure on face during programme. Apply SPF50+ daily without exception.

Skin may appear slightly red after DPL sessions — normal, resolves in 24–48 hrs.

DAY 2 PREPARATION & FIRST PROCEDURES

5:00 – 5:30am Oil gargle with coconut oil, hold 15–20 min, spit in dustbin

Enema cleansing and poo into the toilet bowl

6:00 – 7:00am Foot spa, face mask, herbal tea time

9:00am Herbal solution — intestine cleansing

10:00am DPL laser session 1 (zone 1 — see your clinic schedule)

12:00 noon Herbal solution — intestine cleansing

2:00pm Facial detox (rose oil + sculpting massage)

4:00pm Herbal soup + porridge water

5:00pm Take 3 herbal capsules

DPL sessions run every day (5 sessions per zone over 5 days). Do not miss sessions.
